Technical Skills

- **Programming Languages:** Java, Python
- **Frontend Technologies:** HTML, CSS, JavaScript, React.js, Bootstrap
- **Backend Technologies:** Spring Boot
- **Database:** MySQL
- **Version Control:** Git, GitHub
- **Software Concepts:** OOPs, Multithreading

Projects

Employee Management System

GitHub

Technologies: Spring Boot, React.js, MySQL

- Developed an employee management system with CRUD operations for adding, updating, viewing, and deleting employee records.
- Implemented backend logic using Spring Boot and integrated MySQL for secure data storage and management.
- Designed a responsive frontend using React.js to improve user interaction and maintainability.

Food Recipe Website

GitHub

Technologies: HTML, CSS, JavaScript, React.js

- Developed a responsive food recipe website where users can search recipes and view recipe details.
- Implemented recipe cards with images, cooking time, ratings, ingredients, and step-by-step cooking instructions.
- Added favorites functionality to save and remove selected recipes and created a simple recipe assistant chatbox.

Portfolio Website

GitHub

Technologies: HTML, CSS, JavaScript, React.js

- Built a personal portfolio website using React.js to showcase resume, skills, projects, education, and contact details.
- Designed a clean and responsive layout with sections for home, about, skills, projects, education, contact, and resume download.

Internship

Java Full Stack Developer Intern

Tap Academy

- Gained hands-on training in Java Full Stack Development.
- Worked on Java, Spring Boot, React.js, MySQL, HTML, CSS, and JavaScript.
- Developed practical understanding of full-stack application development, database connectivity, debugging, testing, and troubleshooting.
- Built responsive user interfaces using React.js components and implemented client-side routing using React Router.
- Practiced REST API integration, form handling, state management, and CRUD operations in full-stack applications.

Certifications

- Infosys Springboard – Programming using Java
- Infosys Springboard – Database Management System

Education

B.Tech in Computer Science Engineering
CGPA: 8.7

Rajiv Gandhi University of Knowledge Technologies, Ongole
Year of Pass Out: 2026
